Central Region, formerly Patriots' Trail

Donate cookies to Military Personnel

Saturday March 8, 2008
10 am
Hanscom Field, Bedford, MA

- Are you running a booth sale? Make a sign or set up a box.
- Sell boxes with your order card. Make the first blank column a donation column. You might want to accept payment along with the order. When the cookies arrive in town, take them out of your order and set them aside.
- Customers who purchase cookies to be donated are eligible for a tax donation, so make a coupon for them!
- All 8 varieties are welcomed. Some will be shipped to active zones, others to military hospitals and facilities abroad and on the home front. Hanscom staff will decide. Be sure to repack all boxes into cases for ease in storing and shipping. Pack any variety in any case. No loose boxes.
- Bring your troop to this Hanscom event and you can donate your cases directly. Military personnel will be there to help, and you will be greeted by the Base Commander. Ask girls to wear their uniforms. **You must register for this event.** Email cookieboothsale@ptgirlscouts.org with this info: your town, troop #, and each girl and adult's full name (required for base security) Use 'Hanscom' as the email subject. We also need to know the approximate number of cases you expect to donate. Sign up by March 1. Thanks!
- If you cannot come to the Hanscom event, check with your local VFW or other fraternal organizations that may be sending care packs, or donate your cookies to a local emergency food bank, shelter, or other organization.
